GROSS OVER
DESIGN

by

Natalie Gross-Tabachnik

I'm also a passionate digital artist and voice-over artist, enabling me to craft visually captivating designs and patterns that enhance various projects.

My voice has featured in many brand campaigns, and I've contributed as a dubbing artist in various projects. Besides my professional work, I organize workshops for studio voiceover and am a proud mother of three children. If you are interested in licensing one of my designs please contact me at natalie@grossover.com

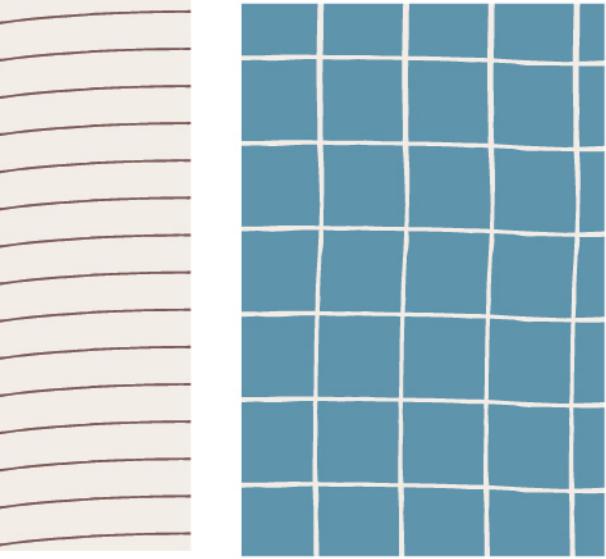

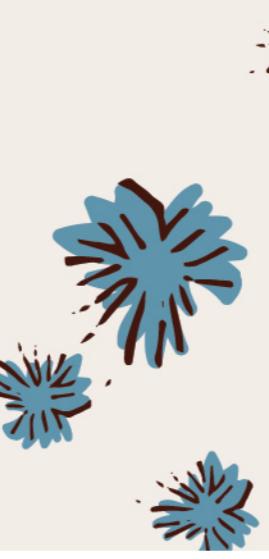

Hello, I'm Natalie!

But my creativity doesn't stop at sound.

My artistic skills extend beyond the auditory domain, enabling me to craft visually captivating designs and patterns that enhance various projects.

My voice has featured in many brand campaigns, and I've contributed as a dubbing artist in various projects. Besides my professional work, I organize workshops for studio voiceover

and am a proud mother of three children. If you are interested in licensing one of my designs please contact me at natalie@grossover.com

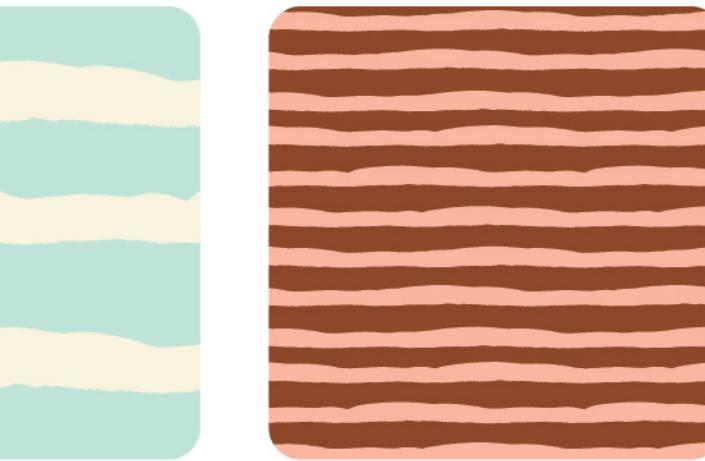

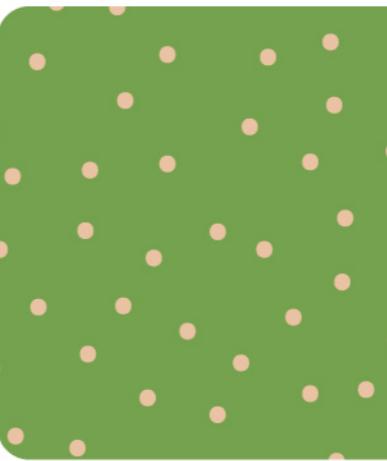

All is Well-Blue

Inspired by some long walks on the
country side of Austria.

Spring just arrived and the flowers started to grow.
And there it was, this feeling: ALL IS WELL!

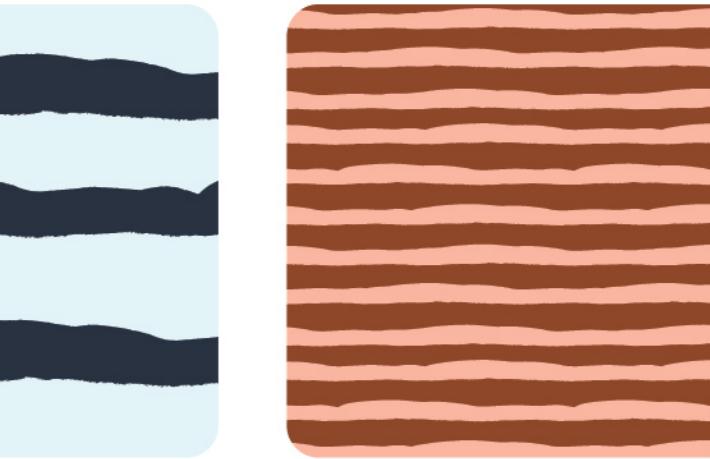

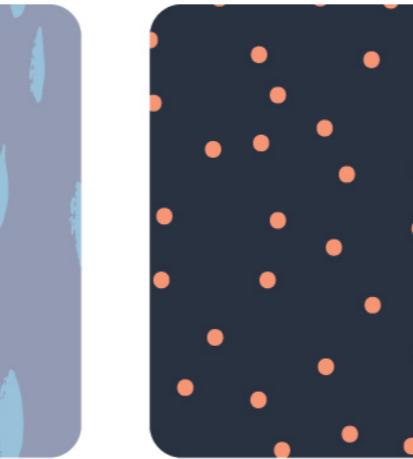

Rainy Days

Snowy Days

Sunshine, Rain, Planes, Skyline

SUMMER IN THE CITY

And stripes... they always fit!
